**Note:** The Federal Direct Loan program has annual and aggregate limits. For more information on these limits, go to <https://studentaid.ed.gov/about/announcements/interest-rate>. Once these limits have been reached, your parent may apply for a Federal Direct Parent PLUS Loan or a private/alternative loan to meet your remaining need. These loans are credit based and borrowers must apply and be approved prior to these loans being included in their financial aid package. Students must notify the Financial Aid Office when a Federal Direct Parent PLUS Loan or a private/alternative loan has been approved. Dependent students whose parent have been denied a Federal Direct Parent PLUS Loan are eligible for additional funding through the Federal Direct Unsubsidized Loan.

**Before you submit the request for a Direct Student Loan, you must complete the following steps:**

- Go to [www.studentloans.gov](http://www.studentloans.gov), sign in using your FSA ID, and complete **Entrance Counseling and the Master Promissory Note (MPN)**
  - Entrance Counseling is required by federal law for all students who wish to borrow through the Federal Stafford Student Loan Program. Entrance Counseling will help you understand all of your rights and responsibilities as a borrower.
  - The MPN is an agreement between you and your lender. You and the lender agree to the terms of the loan and you promise to repay the loan.
  - Be sure to print out a copy of both your Entrance Counseling confirmation page and your completed MPN.
